Dear Friends at AGP,

Thanks for your kindness in donating all your services to the Animal Friends Humane Society. We have been truly impressed with your speed and quality of service you have performed on our doors and locks. The corporate citizenship you have exhibited in helping our homeless animals is commendable.

The Animal Friends Humane Society is Butler County's largest, oldest non-profit animal shelter. On a typical day we house 200-300 animals. We are the only open admission shelter in Butler County. Open admission means we take all pets, from aggressive animals, to friendly animals, to deceased pets. Local support helps the 7,000 animals we serve a year.

Sincerely,

Leland Gordon
