Mr. Scott Franer, President
AGP Lock and Security, LLC
PO Box 191
Trenton, OH 45067

Dear Mr. Franer:

Our office facility was given a routine inspection by the local fire department for safety and security. One item, an emergency push unlock release, on our rear exit needed to be immediately installed. Your company, AGP Lock responded on short notice and took care of the shortcoming promptly. At the time, we decided to re-key our entire facility since we recently had contracted with new lease tenants and wanted to re-secure our interior and exterior doors. AGP Lock was able to handle this without delay in a very professional and competent manner.

We would recommend AGP Lock without reservation.

Sincerely,

Bill Triick
President & CEO
